

Industrie Service

**Hermann Otto GmbH  
Krankenhausstraße 14  
83413 Fridolfing  
Germany**

The above organization is hereby entitled, on the basis of certificate No. 24 10 90327 002 and the appendant test reports, to affix the certification body's certification mark shown below to the following product (see description below).

**Requirement:**

The product satisfies the requirements of the TÜV SÜD test programme in accordance with QA work instruction No. MUC-KSP-A 1044.

Inspection of the application:

- of a boltless assembly of UW profiles used in drywall construction
- bond strengths

**for the following assembly adhesive:**

- OTTOCOLL® M 560

**Product description:**

The above assembly adhesive is a reaction adhesive based on silane-terminated polymers (STP).

This certification is valid until October 2027.  
Annual monitoring of the production.

München, 24. October 2024
